The Premises:

Premises well described in other reports.

A little disconcerting having to stand at top of stairs to discuss services through a glass screen with receptionist before entry.

Eventually decided on a hour 2 girl body to body pampering with Jina and Kitty, with assisted jacuzzi bath which included hand relief. There were other services on offer for extra money but I chose to stick with this.

The Lady:

Jina a really beautiful pocket rocket with delicious large firm breasts. Stands less than 5' in height, gorgeous smile and bright sensual eyes. Kitty more slender but no less beautiful in her own right than Jina.

The Story:

Jina & Kitty helped me out of my clothes and laid me on the bed where the experience of having 4 hands, 4 breasts and 2 mouths massaging me was incredible. The massage was firm, sensual, invigorating and relaxing all at the same time with my brain not being able to accept all the sensations I was experiencing at the same time. Turned over and they began repeating the process on my front with the inevitable teasing of my cock and balls. 2 ladies playing with my cock in total unison was mindblowing and ball busting. Eventually they decided that it was time to make me erupt and as Kitty caressed my balls and teased the bottom of my shaft Jina pulled my foreskin back and teased my glans with an incredibly exciting technique I'd never experienced before which soon had me shooting my load much to the ladies delight. The session was completed by an assisted bath where Jina and Kitty washed off all the massage oil, dried me and helped me to dress.
