The Lady:

Megan is an Italian lady in here 30's. She's slim with a cute face and quite pendulous breasts.

The Story:

I hadn't been here for a while as I was a bit worried about the nosey neighbours, but I had no trouble this time.

You always take potluck visiting a massage parlour, especially when they don't have a website, but all went well this time.

Megan is a friendly lady and seemed happy with her job. She likes a snog, something you don't always get in massage parlours. We had sex in a few positions and I got her to dangle those tits in my face a few times. They were very soft to the touch. We finished in missionary position. All in all a very good experience.
