The Story:

Really enjoyed my first visit to here. Maria was a fantastic girl. Chose her straight off and went into a private room. Stripped off straight away, her body is amazing. She started by playing with me until I was hard then onto a blow job. After a few minutes we swapped and I licked her pussy. Think she really enjoyed it as couldn't stop moaning and said she didn't want to cum yet but pushed me deeper into her as she got wetter and wetter. Finally she said I better get into her quick before she came too much, saying don't think we need a y lube as she was already really wet. I fucked her till I came. Sorry to say it dint take long sorry hun. But after she said she was still ting ling so hope she liked it. I would like to see her again, that sweet pussy was the best.
