The Premises:

This is a small house in a residential district of Barnet. Clean and tidy, occupied by a group of escorts.

The Lady:

Blanca is a long haired brunette, a pretty face and curves in the right place. This description does not do her justice. Her breasts are lovely and she uses them with great gusto.

The Story:

A harbour on a rainy afternoon. Blanca greeted me in a one piece which showed a delightful arse as she led me upstairs. She sat on the bed and straight to work with my cock in her mouth for owo. Her body is very soft and after her fucking me on top and then cim with a smart snowball. The rest was short as she used her remarkable breasts to titilate me the tip of my dick in her mouth. Hard again I rode her in missionary. The action is non stop with a few interludes. Blanca smiles and laughs but her English is not great. This is not important and she sucked me off for a second time. As she advertised my balls were empty and I was a happy de-spunked boy. Will be back at the venue there are other treasures.
