### The Premises:

Sat nav breakdown, but reasonably discreet. Ordinary house - back door entrance clearly marked with a bell. Fine day and night I would say. Isabella came out to meet me. Bit of slight confusion as a flatmate ( male) appeared and was ushered away

### The Lady:

Slim, shortish blonde hair - little tits - some tattoos. A smoker, could smell it on her but not on her breath. Said she had only been here a few weeks.

### The Story:

Ad said, 24 and French. She not she's 32 and Hungarian (looks a lot younger). Not the girl in the the photos. Normally at this point when I have been " bait and switched" I go off things or walk. However she was so bubbly ( a little over the top for some) and stripped off the undercrackers to show not a hint of fat, so thought...well I' m here now....nice OWO DATY, very clean, then 69 and main event. A was included but not in the mood for it ( me not her).Nice pounding in usual configurations and finished in doggie. Then a strange one she wanted a second round immediately, like now! - like a sex starved teenager. I had a go, but Uncle Percy was not playing ball. She tried very hard though! Had a chat and a shower and departed in good spirits. Not 100% fulfilling, but nonetheless a dirty 45 mins or so. If you don't mind the bait and switch it could be OK. She's off home shortly and might not return. I probably won't return but it might be worth investigating for you if you like skinny blondes.
