### The Story:

entered room and looked amazing in black lingerie, lay on bed and estelle started with massage, removed bra and began to rub those fantastic tits over back and kiss back, neck, etc. rolled over and i had play with those truly amazing tits for a while before estelle grabbed hold of my by now hard cock and began to wank it off. i then asked if i could fuck those incredible tits and she suggested i lie back and she placed my cock between them and i did just that for a couple of minutes. estelle then moved down the bed and put my cock in her mouth for a short spell of oral without, i then asked if i could taste her and she said it was fine so down i went and judging by her reaction she is either a bloody good actor or she enjoyed it, i sincerely hope it was the latter! we then had sex at the end of the bed before eventually after five minutes i could hold back no longer and i exploded inside her. an excellent punt, with a stunning looking girl, just a pity she does not kiss but i guess you cant always have everything!
