The Premises:

A discreet and modern house in a quiet cul-de-sac secluded from the main street, which was easy to find with the directions given.

Sufficient off street parking available.

A bit 'chaotic' on the day of my visit which Andrea put down to "Having to move some stuff later". The bed was clean and very comfortable, with full height mirror effect wardrobe doors next to her bed.

The Lady:

5ft 6 roughly and I'd guess a size 12 with what I would call a 'healthy' sized bust. Andrea is slim with light brown hair in a bob cut and wears glasses. She is unshaven with a fairly thick mat of light brown pubic hair.

The Story:

A very pleasant and educated young lady who instantly makes you feel at ease. After taking the money, it was straight upstairs where Andrea stripped off straight away. She then took off her glasses and lay back on the bed with her legs slightly open.

Now here's the 'crunch'. I am in my late 50's and find it very hard to get an erection, but I do love 'going down' on turned on pussies and after a few minutes of fingering her, boy was Andreas pussy turned on.

I then told her of my 'difficulty' and asked if I could 'go down' on her and she happily agreed. She tasted absolutely fabulous, that sort of bitter sweet and tangy taste. She was clearly enjoying it for her juices leaked quite profusely as we went on.

Just as her clitoris started to get rally hard, I started to come and had to stop licking her, otherwise I'd have soaked her Duvet. None the more for that, it was a most enjoyable experience and I'll deffo be back for more.
