The Premises:

The detached house is in a pleasant, quiet rural area, ample secluded parking on the drive. The house is clean and smart and I never give it a second thought about feeling safe once I met Jan.

The Lady:

Jan is an irresistably gorgeous, sensual lady, clearly she exercises to keep fit judging by her fantastic body.

The Story:

This was a first for me and selected Jan after reading previous reports. Obviously I was nervous, but Jan relaxed me immediately with a quick chat and a lovely welcoming kiss, her lips are soft and full, to kiss and hold her is a joy in itself. We soon headed upstairs to the bedroom which was warm and inviting. I don't think I need to add further detail to what has already been said, only I would say I believe a lot of descriptions actually understate the unique talent Jan has and the tremendous experience you share together. Jan made me feel very special and moreover, she managed to restore my confidence, for which I will be eternally grateful. I spent the rest of the day wandering around on cloud 9, I can't remember the last time I had so much fun in an hour and I can't think of anywhere else I would like to spend an hour of my time. Thanks again Jan for a truly memorable time in your company and I eagerly anticipate seeing you again in the not to distant future.
