The Lady:

Wow! Description given over the phone didn't do this lady justice. Early 30's size 10-12 tanned with blonde hair and the most gorgeous breasts and all natural. New to the business.

The Story:

Sandy was straight in the room and greeted me with a lovely smile and a kiss. Started with a real massage and not the usual back rub most girls give. Little bit of ball tickling with her long nails. Almost didn't want to turn over. Nice gentle kisses and caresses.

Sandy asked what I was into and we had a bit of a mutual oral session. Unfortunately I am a nervous punter, so I got sandy all wet and bothered but was not up for what followed. She was really concerned she'd done something wrong - I reassured her that it can take me a few visits to feel relaxed enough to perform and she gave me a lovely kiss and cuddle.

Sandy I can't wait to come back and finish the job! xxx
