### The Premises:

Lydia's place was very clean and tidy, it is literally 2 minutes walk away from the local train station. I felt extremely safe during the day and doubtless would have felt safe at night too.

### The Lady:

Lydia is a great looking women, her body has curves in all the right places may edge in the BBW category, however, she is very pretty.

### The Story:

I arrived feeling a little nervous as it was my first time - visiting an escort and having sex, Lydia put me at ease straight away, after relaxing over a glass of water it was into the bedroom for some fun!

Once in there, we kissed a bit, her technique is brilliant, then off with the clothes and the fun truly started. I played with Lydia's amazing tits for quite a while. Lydia then went down on me and her blowjob was fantastic! I then began to finger her dripping wet pussy, I believe I made her cum, if not, she is a very good actress!

After that Lydia got on top of me the sight of those tits going up and down was immense and I came quite early.

We had a chat about this and that and Lydia gave me another blowjob, however, I decided to wank myself over her tits, a brilliant end to a great great first punt!
