The Premises:

Very well appointed house in South Kensington. Had a really nice reception which I spent about 1 minute in. Bedroom down the corridor was warm and clean. Shower facilities were not on suite but were clean and well stocked with towels.

The Lady:

House of devine describes Ella as "Babe", which until you meet her really does her justice. Now obviously this is down to taste but Id describe Ella as "Babe Goddess". Her Best feature IMHO is her bum, i never could take my hand off it

The Story:

After a few kisses, cuddles and a shower Ella proceeded to give me a massage but that didnt do much for me so we moved on to some necking and fondling. In spite of my nerves and overall lack of rampant rigidity I did cum twice. (The first to a fantastic hand job) I then indulged in licking and sucking Ellas delightful pussy and fondle that gorgeous arse. We did some 69 which was also really enjoyable and the root cause of my second explosion.

I would have liked to done some cowgirl but the little head was not going to play ball. Being a noob to women in general, I have no idea if Ella came apart from the obligatory "ohhs" and "Ohh yes".

This was my first punt and only my 3rd sexual encounter. Ella was amazing at helping with this and thus I will denfinitely recommend her if your in the same situation. "Ohh you are a naughty boy" in that spanish accent is unforgettable.

Again thank you Ella
