### The Premises:

Very discreet garden flat on the border of East Croydon and Addiscombe. Only saw the hallway and bedroom. The room was very clean and tidy. Felt safe.

### The Lady:

Very pretty Polish girl in her early twenties. Long blonde hair. Small boobs. Great hourglass hips and bum. Nice natural-looking all-over tan. Mostly clean shaven with some hair left around her perineum. Immaculately clean and well-presented. A really lovely looking girl.

### The Story:

This is a tricky one. As discussed above, Chloe looks great. She is genuinely pretty and has a fabulous figure. I found her details on 'the other site'. Her profile and pictures have not been updated in ages. The girl I visited was way better looking than the girl in the photos, and almost made me wonder if it was a different girl. I don't think it is. But first impressions were great. Unfortunately, while Chloe is polite and friendly enough, she simply does not give any impression at all of wanting to do the job she's doing. After a very basic massage, she stripped off and offered very tentative OWO. I went down on her for a while but she lay there unmoving. We moved on to sex but only in the missionary position. I was tempted to ask for doggie style but she is very pretty and I wanted to see her face. Again, she just lay there, no attempt to engage, no attempt to encourage me. I managed to cum, but it was a very desultory experience. I am aware that as a man of nearly 50 I am no 21-year-old's idea of a sexual fantasy. But I was scrupulously clean, well-presented and I am not horribly overweight. There are far worse punters. I also spoke to her politely, made sure that she was OK and treated her with as much respect as I could under the circumstances (ie, paying for sex with a stranger). My gut feeling is that Chloe should not be in the game. Her heart isn't in it and, more importantly, she doesn't seem able to give the impression that her heart is in it. Time for a career change. I wish her well.
