### The Lady:

chantelle tall sexy blonde in her late 20s and a very gorgeous lady and also she is first class at her job

### The Story:

i have seen chantelle elsewhere but this was my first time with seeing her at brooklyns in crewe and it was a nice suprise to her to see me because the first thing she said to me was hello gorgeous what are u doing here.

we both layed on the bed in eachothers arms and started kissing and cuddling then chantelle started moving her hand down towards my cock and started a hand wank which my cock almost straight away got big and hard and then chantelle moved herself on top of me and started giving oral has i started licking her gorgeous pussy oh boy i was having the time of my life with the most amazing lady i have seen we continue a little more giving eachother oral and then chantelle moved herself put rubber johnny on and then guided herself down on me and rode me cowgirl style and then we change and then i was on top of chantelle which was then followed by doggy style and then we finished with watersports.

chantelle thanks for another amazing time as always and i hope its not to long before we see eachother again, in my eyes u are the best and always will be xxxxxxxxxxxx
