The Premises:

Great location, very easy to find and comfortable and clean inside. Perfect for a noob such as myself. Couldn't really have been better!

The Lady:

Very sexy, I know it's a cliché but the pics really don't do her justice. She's a very beautiful lady.

The Story:

The session was basically great. It was my first time using HOD or similar establishments, and I was pretty nervous in advance. The friendly receptionist put me at ease, and Mira was great too and patient with my nervousness. The one hour time was perfect for me, not too rushed and allowed me to get comfortable. Started with a quick massage which helped relax me, then great OWO. Sex was also top notch, got to come twice so can't complain :)

I think she was a little tired, but she was very friendly and I only wish I'd been able to relax a little more than I did. Definitely a venue and a lady worth checking out.
