The Premises:

Bright modern flat on a new housing estate in St Albans. Very clean. Felt totally safe. Plenty of on street parking near by.

The Lady:

As described in her other reviews, Alex is stick thin and has the flexibility of a gymnast. She's absolutely gorgeous. Blond and with her heels on she was as tall as me - around 5' 11". Small tits. Long legs.

The Story:

This was my second visit to Alex. She's able to adjust her mood to suit yours instantly. On entering the flat she took me into her living room and sat me down for a brief but engaging conversation after which she took me into her bedroom. Long French kiss followed by a complete workout. I won't go into the details of it all but can verify the other field reports on Alex. I left feeling very happy and completely satisfied after a full on GFE.
