The Premises:

The three story house, top floor room, clean and up to the usual high standard.

The Lady:

She's not Scandinavian, but she's every teenage boy's idea of a Swedish Blonde, her pix are accurate but of course can't convey what a beautiful and sexy woman she is. Her face is just as lovely as you would hope.

The Story:

I normally prefer cute to beautiful, as over the years the real stunners have often turned out to be less than enthusiastic participants, however Anastacia's photos just look so gorgeous that I couldn't not see her. Her positive FRs here also helped swing my decision.

I am so pleased to say Anastacia lived up to my expectations, lots of FK to start with during the mutual undressing, followed by her kneeling down to take me in her mouth. At her suggestion we moved to the bed where she continued to suck me with such apparent passion that I was very quickly having to ask if I could come in her mouth, which just made her redouble her efforts till the inevitable...

As we had time left, once she had disposed of the evidence, Anastacia asked if I would like a massage, but was happy to kiss and cuddle instead (never a great fan of massage). It quickly became apparent that she could raise the dead, and she willingly used a hand to try for a second coming, but time was against us.

Apart from the wonderful sex, she's a warm and chatty girl (when her mouth isn't otherwise engaged), and very endearingly seems surprised to be told just how beautiful she is (tho if she can make C~I~M seem like a pleasure to her, her acting abilities must be off the scale.)
