The Premises:

Great & very clean flat in South Kensington. Nice area, with cars and people going by. Felt very safe and comfortable going inside. Went to the bedroom which had music playing, Jade walked in 2 minutes later. Bedroom was great and the shower facilities excellent too.

The Lady:

Jade had long black hair, toned body which felt so smooth. Great tits which look like they'd been enhanced but i wasn't complaining. Fairly short, came in wearing nothing but a strap round her thigh. English was very good and she welcomed me with a kiss then sat me down.

The Story:

First time ever visiting HOD or even any escort establishment. I can comfortably say i made the perfect choice with establishment, and also the girl. Jade was fantastic throughout. Sat me down after exchanging pleasantries, we kissed and then she gave me a really good BJ on the chair. Use of tongue was fantastic and it felt sensational. There was a mirror behind her so i could see the back of her head and ass whilst she knelt down to give me a BJ. I was really nervous at the beginning but Jade made me feel very welcome and we quickly moved to the bed where i fucked her from behind. Lube and Cream was used. We then changed positions and i got on the bed with her on top riding me. It was a brilliant experience, she was very engaging and enthusiastic. After another couple of Blow jobs, she got up and went to the mirror where she bent down slightly and let me fuck her again from behind. It took me until 50 minutes to finally cum, and when i did so it was on the bed with Jade grabbing my penis and rubbing it against her tits and i then came all over them. Near the end we went to to shower and she gave me a hand job in the shower with water dripping down. Excellent girl with an excellent service, thank you so much for making my first time feel fantastic Jade. You're a star.
