The Premises:

Flat in a brand new apartment building a few minutes walk from Aldgate East Station. Very tidy clean and safe, absolutely perfect. En suite to the main bedroom for washing and sports.

The Lady:

Sarah-Jane is just gorgeous. Mature (early 40s), English, slim, blue eyed blonde with large natural breasts. Beautiful face, small waist, fabulous bum and perfect nipples.

The Story:

This was my second visit to Sarah-Jane and again she did not disappoint. Wearing a sexy little black dress she looked like she'd just popped out of the office. That came off to reveal a lacy bra and g-string knickers. The encounter began with a brief but engaging conversation following long French kiss, oral inspections, foreplay that went on for ages and sex as you would with the most perfect girlfriend.

Sarah-Jane was very obliging and did everything to make sure the encounter was both enjoyable and full filling. I left feeling completely satisfied, exhausted and very happy!

If you are after an English GFE then visit her and be nice.
