The Premises:

On road alongside the railway line. Good parking along the road and next to the establishment. The house seems lived in and was very clean.

The Lady:

Approx 5'4" when she took off the heels. She was a very attractive brunette with 36DD (enhanced) boobs, and a trimmed pussy.

The Story:

This lady was very playful and friendly. Started kissing fully clothed and soon the clothes were on the floor and we were kissing and exploring each other.

Excellent sex - oral (both ways), penetrative, a little pain culminating in an explosive orgasm with her finger in my arse.

I left stress-free, a smile on my face and walking a little funnier than when I entered.

Next time I will be staying longer.
