Elouise looks like Anastasia of babestation or Ella Jolie ex Babestation girl now Playboy TV girl. Smoking.

The Story:

I had seen Elouise before at a previous place and was gutted it had taken me a year to see her again, recently it had been difficult to arrange an appointment with her but I was delighted when I finally arranged by booking well in advance. I was let in late, not sure if this was the agency to blame. Got in and Elouise looked smoking hot. She gave me OWO, then I licked her lovely pussie for a while as I didnt want to explode too early, then she gave me deepthroat which made me cum lots. Then ontop for some fucking, I loved it and wish I could afford to spend more time with her. I am hoping to be able to see her for at least an hour later this year. Top class.
