### The Premises:

Manyana is one of the older parlours in South Birmingham. It has been done up since my last visit - about 15 years ago. it is clean and functional inside, but - being an old building - creaks a little. VERY safe, with a "buzz in" access system.

### The Lady:

Katrece is a honey blonde in her 40s, with a great figure. The photos on the parlour web site, or on her own web site, [www.katrece.com](http://www.katrece.com) are accurate. A great looking woman.

### The Story:

Katrece bears an uncanny resemblance to that punting legend of old - with, in her former existence - over 50 FRs to her credit - named Patrice.

Yes, it IS true, Katrece/Patrice is back working again! There IS a God!!

The years have been very kind to her since I last saw her - over 6 years ago; still significantly gorgeous. Still determined you are going to have a great time.

We had a great hour - delighted to see each other, and chatting over punting in Manchester. Katrece is now working 4 days a week at Manyana. She still has that irresistible twinkle in her eyes, that cheeky grin, and deeply sexy voice. Add in a great figure. I have her permission to mention that the legendary Patrice is now working, so I expect the traffic to build up considerably on the south-bound M6.

Oh - and - just like in days of yore - she always over-runs!
