The Lady:

Nicole was one of two ladies on that day. on first sight I found her to be mature but very pretty, blonde with long hair and gorgeous big brown eyes with a slim petite figure, probably size 8 and 5'3" tall but with large natural breasts of 34d (I think but I'm crap at things like that), needless to say it wasn't too hard to choose her

The Story:

After having a nice long massage I returned the favour on her lovely body and big tits. I asked if she liked oral and rimming, she said she didn't mind anything like that, as I performed on her she tightened her lovely slim legs around my shoulders and neck and moaned very loudly. I carried on working on her little pink pussy until she came very loudly, she then hugged and kissed me and told me she was going to give me a nice treat. I asked for a nice tit wank which she agreed to eagerly. She smothered my now very hard cock in between those sizeable boobs, pushing it up and down, slowly at first then faster until I was ready to blow. Nicole seemed to know when I was ready, and asked if I wanted oral, normally I would have jumped at this but I declined and asked to fuck her instead. I went missionary which she said was her favourite position and as I fucked deeper and faster I could hear her moaning again which prompted me to go faster and harder, seeing me fuck her in the room surrounding mirrors was a huge turn on, and as with all good things it came to an ending which was far too quick, which I apologised for, but she was very understanding and said it was fine - a true lady sexy and patient! Never mind there always a next time
