The Premises:

Very busy street on a Saturday with bustling streets and on-street Cafes but there seemed to be some shady looking guys hanging around outside and one guy in the corridor downstairs who called up to me as I walked up the stairs; it didn't feel safe. Looking back I believe the young guy in the corridor was a disgruntled punter trying to warn me.

The Lady:

Not the woman in the photo but that shouldn't surprise anyone. She looks the business however. Italian. Very tanned. Surgically enhanced.

The Story:

AVOID HER LIKE THE PLAGUE!!!!

Paid ?150 so expecting the works but it was probably the WORST punt I have ever experienced. She spent most of the time out of the room then gave me a handjob. Clean-up was with some rough kitchen towel. Would have been OK for a ?20 Soho walk-up but at that price it was daylight robbery! Only writing this to warn you; there are plenty of fantastic punts out there but she ISN'T one of them. DON'T SEE HER.
