The Premises:

This was an outcall to a hotel in Barnsley, The room was clean and the bed was large enough

The Lady:

Peachy is a vision on legs she has dark hair, a slim figure, and a cracking pair of boobs

The Story:

Peachy arrived early and met me in the bar where we had a drink, we then went up to the room where peachy changed onto a basque type top which showed off her magnificent boobs, however this did not stay on long and was soon removed, she has a trim slim tanned body. Peachy climbed on top and off we went until the inevitable happened. After a rest peachy delivered one of her quite fantastic blow jobs, which need to be experienced to be believed.
