### The Premises:

First time I'd visited and found the place clean and tidy. It is a proper massage parlour, with the ladies waiting for you in reception ? there were 3 on this visit. There are various rooms out the back, all clean and there is a shower and washroom available.

### The Lady:

I chose Kelly, a Greek lady, who looked nice and had the kind of body I like ? slim, with big tits. She had long black hair and a pretty smile. Her English was good, so communication was not a problem.

### The Story:

Kelly was eager to please, making all the right noises throughout the hour we were together. She did everything I asked for and smiled the whole time. Never complained and always gave great service. Her massage between rounds was also very good. I felt so much better afterward and that was worth the money alone. I have seen Kelly a few times now and she always gives great service. I will look forward to seeing her again.
