### The Premises:

Previously reported on sumptuous apartment in a classy part of London town. It was a 70s themed party so the place was set up like a 70s disco with 70s music playing in the background.

### The Lady:

There were to be 13 ladies and 20 men, but I counted 14 ladies: Francesca, Samantha, Ivana, Jennifer, Sarah, Alex, Eva, Vanessa, Lisa, Misha, Kate, Danielle, Julie and Mia. Plus there was of course lady em and antonia keeping an eye on things.

### The Story:

This was my first big bash and the 4 hours flew by amazingly fast. I interacted with about 10 of the 14 girls and was absolutely shagged out by the end. What I found amazing was that there were some guys there who had done the afternoon bash and the evening bash, thats some serious staying power. There were some very sweet girls there such as Julie, Samantha, Jennifer and Ivana. But on the other hand there were some serious nymphos there like Mia, Alex, Misha and Eva. The remaining girls fell somewhere in between the two. The food spread and fondu wasn't bad either.

My first big bash, certainly not my last
