The Lady:

Kristal's pics are now up on Annabella's web site, they are a true reflection of Kristal although they do not show her face and cannot convey her mischievous personality.

The Story:

I have seen Kristal before when she worked for HOD in MK as Maria, this was my second visit to see her since her return in the summer. Once the finances had been sorted out and we were both naked we started with me giving Kristal RO, then we swapped places and she gave me oral (yes Kristal only does covered oral) but her oral technique is such you don't notice or in my case care. Oral was quickly followed by sex with Kristal on top then me on top followed by a session of 69 and her on top again with a session of doggy to finish. As usual Kristal was great fun to be with and we both thoroughly enjoyed the hour.
