The Premises:

The walk up to the flat isn't pleasant and the main entrance to block is on the main road, which can be not as discreet as I would like, but once inside, her flat, room and bathroom was very clean and very well kept.

The Lady:

Absolutely beautiful. Pretty face, perfect body, soft skin and lovely eyes.

The Story:

Sofia was just amazing. She has a bubbly, warm personality and a way to make you feel totally relaxed. I always find it vulgar to give explicit description, so I will just say I left feeling weak in the knees.

Don't expect full on rampant non-stop action, she is more a teaser and a pleaser and a perfect girlfriend. She prefers to make you feel as relaxed as possible with superb massages and a lot of teasing, before blowing your mind, and she seems genuine in personality and physical reaction (if you treat her right).

A slow burner with amazing, alluring looks and behaviour. Totally recommended.
