### The Premises:

A very good class clean flat. easy to find and i felt safe at all times.

### The Lady:

Very fit and muscular. A real sexy looker. The largest most erect breasts you can imagine.

### The Story:

I spent two hours with Brooke today. A lovely and very friendly, bronzed girl covered in shapely tattoos. Talking of shapely ? my first impression was utter amazement at the buxom, statuesque shape of Brooke?s body. She is extremely well muscled due to a lot of dedicated body building. We drank champagne and while kissing her all over I stripped her clothes off. It made her giggle when I dribbled champagne down her cleavage and licked it back up again.

A level is her preference, which suited me so I thoroughly explored her in doggie, what a delightful view and feeling for my cock that was. After a little spanking I rolled her over with her ankles by her ears. We laughed a lot particularly when I found and felt the steel cable like muscles in the back of her thighs as I penetrated her again for another sound arse fucking! Her arse is very accommodating, easy entry while at the same time being very tight as she concentrates on making it the best time for us both.

Brooke gave me the most impressive deep throat with some sublime tongue work on my dick. After that we enjoyed the tightest tit wank ever. Oh what an impressive muscular body she has - one of dreams!! Brooke finished me off with a really magnificent and varied prostate massage and I shot all over her tits. A relaxing shower and chat and I was on my way.

Thank you for being so lovely and friendly and thanks for all your help and advice. Alan XXX
