The Premises:

Next to South Harrow tube - Picadilly line, front door on the street along a parade of shops. Recently refurbished flat, with new carpets, was asked to remove shoes which I was okay with. The heating works, lovely & warm.

The Lady:

Some may say cute, im not so sure, this is subjective after all. Late 20's, natural look with no make up or fake tan. The photos on the website she appears hide her belly & legs. Suffice to say I prefere a liittle less weight on the hips & prefere the girls I see to have less of a cake shelf than mine! A little harsh I know.

The Story:

Lola is a lovely girl, warm with a lovely smile & sparkle in her eyes. Started off with a massage, before moving on to light kissing, no DFK, so I took control & teased with the tongue!

Lola provides oral in the same manner as she kisses, sensually, no deep throat, but with plentiful eye contact. Again her hand skills are light to soft.

After half an hour she asked if I wanted the condom, I declined. Her 'cake shelf' & chubby hips put me off, so I continued with light oral skills to bring me off to completion with her hand - my choice.

An absolute bargain at ?60 for the hour, paid double & recieved half the experience. Lola is In no way mechanical. I was hooked in by the hype & price factor, overall I enjoyed my time.
