The Lady:

Maya is one of the most stunningly beautiful girls iv seen for a very long time. Around 5 feet tall with usual dark eyes and long dark hair, bloody amazing boobs!! Before and after she removed her dress. Iv absolutely no idea how old she was to be honest. If she said 20 I'd believe it and also would if she said 30.

The Story:

I opted for a hour massage because believe it or not the massage was the reason I was visiting today. While Maya was giving my back a good seeing too she asked if I wanted extras. I opted for just a body to body followed with a hand job, she rubbed and stroked every inch of my body before lubing herself and rubbing her pert tits all over me. I had a nice rub of her pussy as she did this but to be honest I knew I was pushing my luck and she gently moved her ass away. I asked if I could lick her pussy a she said no because I had not payed for full service but offered it for a tenna, I'll be honest I had to pay it to lick that gorgeous soft pussy. She sunk into the bed as she came then tossed me off against her boobs. All through this meeting Maya was happy polite and just bloody lovely!! Some have said this place is a little expensive, I can only say you get what you pay for. I guess it's 20 quid more than others in the area but is say well worth it. I'll try and get back here and would see maya again in a flash!!
