The Lady:

Slim, pretty Czech girl, good English and very friendly.

The Story:

Susan did a very nice job of a relaxing, unrushed and arousing tantric lingam massage. Gentle blowing in my ear was an interesting touch. But the surroundings were dismal and nothing like the experience suggested by the website. Only rudimentary atmosphere (candles, music etc.) and the flat was pokey and poorly maintained.

I guess it's cheap by London standards, but I've had much better experiences in the North and in Spain for much less. I think I could have expected better.

So my recommendation has to be no, but the lady was not to blame - she was lovely.
