A very nice hotel in Manchester. A perfectly safe location.

A very slim lady with a perfect figure and natural bubbly personality. Beautiful smile. Lovely blonde hair. Soft skin and eyes that sparkle with a naughty glint.

The Story:

I've met Samantha a few times now so thought I'd leave her a review.

The very first time I met this lady I knew I was in for a treat and I was. Samantha dresses impeccably and always looks immaculate. Each time I see her she makes sure she covers my favourite things and always brings something new to occasion as well.

We met in a nice hotel on this occasion and Samantha had a super collection of lingerie to choose from. She'd obviously already thought about what I liked because when she slid her lovely dress off she was wearing a stunning set of lingerie already.

I was soon in her arms and tangled up with her on the bed. Samantha's kisses are to die for; I never want her to stop. One thing led to another and the whole 2 hours passed by far too quickly.

I like the GFE and Samantha's GFE is outstanding, everything is done with so much enthusiasm, warmth and desire. I was in paradise!

Samantha is a well read and highly intelligent lady too, not just a pretty face. We have conversations about all sorts in-between our intimate moments. That's when I can draw myself away from those kisses. I've never met an escort quite like her but I'm glad I did and will go on seeing her for a long time to come.
