The Lady:

was introduced to two ladies neither of which took my fancy and then i was introduced to Jodie who did. an older woman would guess early 40's, blonde hair, slim, big natural breasts and very, very good looking.

The Story:

i really like older woman so this was a dream come true. started with ok massage but as soon as i turned over thats when the fun started. jodie asked what i'd like and i said oral without, she proceeded and wow it was incredible, plenty of spit and dirty talk, what a woman. then i returned the favour and went down on her, i commented how stunning i thought she was and she commented naughtily it was a shame she was too old for me, needless to say i vehemently disagreed. then placed on the condom and we fucked with myself on top before i not long after came inside her. great punt, with great woman
