The Story:

After waiting for the latest batch of FR's to be posted, I read FR 110998 and decided to pay this girl a visit. Big mistake and in hindsight, be wary of FR's by people who have only submitted one. Her attitude was off from the 1st minute and whilst she proceeded to count the notes in front of me I was tempted to grab the notes back and get out. No kissing, no intimate contact, and if she is naturally busty then I need glasses. The meeting became a chore and I was wondering had I paid her for the privilege of pleasuring her - shouldn't she be pleasuring me? I was even looking at her clock whilst giving her oral. After round 1 and 30 minutes, nothing and I decided to get dressed and leave.
