The Premises:

Easy to find flat in a quiet road a short distance from the station. Felt perfectly safe. The flat itself was comfortable and welcoming

The Lady:

Attractive, dark-haired, lovely face, magnificent breasts. Lydia is also great company and takes time to make you feel comfortable.

The Story:

After a good read of Lydia's excellent website (she is a wonderfully expressive, knowledgeable and funny writer) and a few chats online, I arranged this booking partly to experiment a little with anal play, a completely new experience for me.

To say that Lydia specialises in this would risk ignoring all her other lovely skills, but she was careful, gentle and considerate as she introduced me to some new experiences. The result? Certainly pleasurable, different and intense at times and my curiosity has in part been satisfied.

To return to the other 'lovely skills', we had plenty of time left for kissing, stroking and wonderful oral both ways, leading to a great climax.
