The Premises:

Nice clean modern flat in a block. Felt very safe.

The Lady:

Chinese lady about 5' 3" in height. Medium feminine figure not skinny and certainly not fat. Attractive face and fine white skin. Mimi says she is in late forties but certainly doesn't look it. Looks to be mid-thirties.

The Story:

Mimi used to work in Hitchin but has now moved to Luton. She is an attractive lady with a nice friendly and polite manner. She has all the advantages of a more mature woman while still maintaining quite a youthful appearance.

Before I had undressed she started to kiss and feel me in a gentle romantic sort of way. After I had showered I lay on the bed with her for more kissing and mutual exploration of our bodies. I gave her oral which she seemed to enjoy and then she returned the favour. We then proceeded to a session of slow prolonged love-making. When I finally came she lay with me for a while before cleaning me up. A big hug and a kiss then time to go. Altogether a most enjoyable leisurely hour with a very pleasant, warm, understanding lady. Look forward to seeing her again.
