The Premises:

discreet flat just over a 10 minute walk from the station, nice area though barking and dagenham isn't usually a place i would normally frequent. she shares the flat with another girl and there is only one bedroom - i had to wait about 5 mins for it to become vacant. they are planning on moving to a new place next month.

The Lady:

22, russian, very cute with a cute personality. great body, c cup i imagine. english is ok,

The Story:

no owo or fk though she will tease you on the fk part. not a major issue for me tbh. oral was okay. sex in numerous positions with both of us working up a sweat. she is tighter than many girls i have encountered so this is a plus. knock on the door was about 5 mins early, there was someone else waiting to see the other girl. hopefully this inconvenience does not happen when she moves to a new place
