The Premises:

This was in the city centre, ten minutes walk from Union Street. Very nice place, discreet location, clean and warm inside.

The Lady:

Just my type. It's hard to imagine anyone being disappointed as she has good looks to match a pretty much perfect body. Brunette and smoldering, shes hot.

The Story:

Going this late at night may mean a bit of negotiation so avoid that. Daina is fiery Spanish but cool at the same time. That means there's no kissing but she'll show you a great time in bed. In a nice environment like this, with as nice a lady, I'm afraid extras are probably hard to come by and this would always be a standard punt with a gorgeous chico. In terms of enthusiasm and having a good time she was spot on, totally memorable.
