The Story:

originally planned to see her flatmate kama but as i was late (trains) and she had a booking at 7 she offered to introduce me to her friend and i decided to see her instead. started with oral which soon turned to 69 before sex, followed by some small talk before going to round 2. oral skills ok (suzibuzi has set the standard quite high with her dt) and the sex was good. we both got quite hot and sweaty despite the cold weather which is always a plus for me.

her friendly personality is top notch and really added to the punt.

i did of course look for her profile when i got home and was rather surprised to see she had no feedback, it has rather changed my perspective somewhat as i would normally avoid seeing someone without any feedback
