### The Premises:

From reading the various reports Debbie seemed to be one of the better value establishments in London.

I was however shocked by the lack of cleanliness in the place & the dirt in the shower area. The place badly needs a facelift.

### The Lady:

Jenny is an older lady in her 50s who has a good figure & is a horney lady who seems to enjoy her work & gives a good service.,

### The Story:

If the place were better maintained I would return & undoubtedly both Jenny & Tina who was also on bith enjoy their work & give good service.
