The Premises:

An upstairs flat above a parade of shops about 10 to 12 minutes walk from Eltham rail station. I last visited this flat in June.

The Lady:

Kitty is a Malaysian girl in her 30's. She has 34b/c breasts and they are lovely and firm.

The Story:

A very good session which started with a massage. This was part firm, part sensual. The sensual part certainly did the trick. When I turned over Kitty gave me a nice, slow O without session. This was followed by sex in two positions, missionary and doggy. Kitty did her darneest to get me off quickly by squeezing very tight. I managed to hold on and withdrew so I could come over her nipples.

This is always a good place to visit.
