The Premises:

In a row of shops with its own carpark and discrete rear entrance away from prying eyes. Okay inside but nothing special.

The Lady:

Petite (about 5'3") 19 year old, blonde hair, tidy little body with a nice arse and small natural tits and shaven pussy.

The Story:

Against my better judgement I decided to visit an establishment other than Sandy's and booked a girl who is only 19 years old. After paying the receptionist 45 quid I was led into a room just off the reception and was invited to take a shower. The room was okay but obviously not of the Sandy's standard. After about 10 minutes, Levi came in wearing hold up stockings, a nice little thong and matching bra. After exchanging pleasantries I lay on the bed and she stripped off. We started with a massage and she asked what I liked to do. When I said I like a GFE with lots of kissing she told me she doesn't really do kissing and it would be 10 quid extra. I said okay and turned onto my back to begin what I hoped would be a nice snogfest. What I got was 4 or 5 quick pecks on the lips which my Auntie Edna would have been proud of. Abandoning the lame excuse for kissing I opted to suck on Levi's tits. After a couple of minutes she asked if I'd like to lick her pussy, when I said yes she said that will be 10 quid extra. By this point I was thinking 'what doesn't this girl fucking charge for?'. I started to give her oral but by this point I realised I'd made a big mistake and I was starting to lose interest. Not wanting to spend anymore money I opted for oral with in 69 position and then I fucked her in mish, cowgirl, doggy and finishing with a little more mish. Levi had an air of disinterested subservience throughout the sex and after only 4 or 5 strokes she was asking me if I was going to cum - a sure sign that the lady wants you to hurry up and fuck off! After cleaning myself up I gave her the 20 quid for extras and she left. After having such a mindblowing punt with Tori at Sandy's last week this was a major let down. Next time I'll stick to my rule of seeing older more experienced girls and preferably those that work at Sandy's. If you fancy fucking a teen with a nice body, Levi might be the girl for you, but just don't expect her to be all over you like a rash!
