A very slim , beautifully proportioned young woman. Great smile , looks better than her pictures because she has amazing eyes and a body that is the definition of the word "pert."

The Story:

I am a long time punter, who usually frequents the well known parlours of MK. I have never bothered with Ego because I like a full GFE and that's not on the menu at this (legal) establishment. I also have never written a report before. Well like a religious convert , I have seen the light !! I only went because I had a stiff back and needed a massage. I had read a FR that said JJ gives a proper massage and thought I might as well get a good rub down from a pretty girl with a "happy ending" as a bonus. I wasn't expecting it to match a proper punt.

It didn't.

It surpassed it.

I got a good massage,yes. But I also go a slow sensual experience that built to a massive climax. JJ has an amazing touch and a way of making eye contact that is almost hypnotic. Really gents. Just trust me and go there. I have no idea if the other girls at Ego are that good.i cant imagine thats possible. All I know is that I will be seeing JJ again and won't be "proper" punting for the foreseeable future. Thanks JJ xx
