### The Premises:

Luxury discreet hotel 5\* along the bath road in heathrow.

Room was lovely, very organised, towel laid out on bed already, room smelt fresh and was tidy with dimmed lights.

### The Lady:

Lauren is gorgeous. Just a lovely normal girl who enjoys her work! Great personality, she's also funny too!!

I would say she looks younger than she does, she told me she was 30 but looks about 24, long blonde hair, great legs, sexy smile with lovely white teeth, and wow her boobs!! Nice to hold something natural in my hands for once!!

### The Story:

Lauren put on a great service! One I will never forget, she's brilliant at tantric sex, her oral is amazing! And she gives a great full body to body massage with her boobs rubbing all over my back!

I really enjoyed it, and felt really tired afterwards I just wanted to curl up with her and go to sleep.

I would of loved round 2 with her but time was getting tight so we couldn't!

I haven't got a bad word to say about Lauren, she's kind and is a great kisser too!!

See you very soon Lauren !! Keep up the good work, don't worry about anything else!!
