House of Divine's South Kensington den of iniquity has been much described before and remains in exceelent condition.

The Lady:

Misha is a beautiful petite South American with long black hair, small, but perfectly-formed boobs, a pert arse and a very pretty face. The pictures on the HoD website are a true reflection of what you'll see.

The Story:

Misha entered the room and we kissed as a greeting before dealing with the paperwork. On returning to the room we fell quickly into an embrace with lots of french kissing and fondling. I moved onto her tits with my tongue and my hands headed south. She pulled away and lay down onthe bed, opening her legs and invited me to remove her knickers and feast on her pussy. Very tasty! After a good session Misha instructed me to get undressed and join her. More kissing ensued, followed by excellent owo, then onto 69. A bit of face-sitting was followed by covering up and an all too brief reverse cowgirl, before I could hold on no longer. A quick clean up and a relaxing massage followed. Misha spent a good while trying to get me hard again without success. We had a good chat and I left satisfied.
