The Story:

Do not usually go on a Sunday. I have in the past when i saw the lovely Racheal who is no longer there. Quite a fragmented clumsy appointment in which i was left quite dissapointed. i think she may be better in some playful tease scenario but then i wouldnt see her in the Retreat for that. Annabelle is new so may well be still finding out where stuff is but it was a little too disconnected for me. Try for yourself but just not for me.
