Started with DFK and my cock was up in no time moved on to the bed and carried on kissing then bit of nipple sucking and sachu put on the condom And gave me a BJ and sachu looked at my stiff cock naughtly and asked me may I? Who was I not to say no so she climbed on top of me and rode me took every single inch of my cock really deep sachu is good what she does then I said can we do it in doggy and man does she has the softest bum or what I just grabbed hold of it and after a few minutes came then as I had some time left sachu gave me a message and laid next to me on the bed overall a very good punt
