### The Premises:

This private flat is on Tooley Street, just past Tower Bridge. It is small inside, but it does have a shower facility.

### The Lady:

Emmanuella is a leggy, slim Russian girl with dark hair. She has 32B/C breasts. Her accent is quite strong, but her English is ok.

### The Story:

I opted for a massage/relief session and this included brief O without. The massage was actually not bad and it was hard to focus on the impending finale. There were a lot of reach unders and stroking and this did the trick. I turned over and began caressing her breasts. They were a nice size, but she said she wanted then enlarged with implants which would be a great shame. The session concluded with a nice, slow handjob.

We had a good conversation while I got dressed. I believe she is a politics student.
