The Premises:

Nice discrete clean flat. Moved since I last visited in May. Felt safe to me but it was mid afternoon.

The Lady:

As previously stated Pamela has a lovely full-figured body, with great tits and bum. Lovely tan and nice longish wavy hair.

The Story:

This was my second visit (I got her name wrong last time and called her Paula) and again I went for some domination followed by sex. Both were great! Pamela will only do oral with, so if you don't fancy STDs, she could be the one for you!

A previous report complained that she talked too much, but my experience was that she only did this to put you at ease before, but was happy to chat afterwards. Certainly she was in no rush, but she did say things had been fairly quiet through the holidays. I'll certainly be back again.
